

# NSF INTERNATIONAL & PIA WATER [RE]USE SEMINAR

23 May 2017

## AGENDA

- 10:00 – 10:10**      **Welcome & Introduction**
- 10:10 – 10:30**      **Introduction to NSF International**  
**Regulations for decentralized systems in North America - General information**  
*(Benjamin Germiot. Regional Business Development Director and Customer Care - Water Systems - EMEA, NSF International)*
- 10:30 – 10:50**      **Decentralized systems - Growing market for the future**  
*(Dr. Elmar Dorgeloh. Director PIA)*
- 10:50 – 11:10**      **European Commission's view on Water Reuse**  
*(EU DG Environment)*
- 11:10 – 11:30**      **International acceptance of water reuse projects**  
*(Prof. Jörg Drewes. TU München. Chair IWA Water Reuse Specialist Group)*
- 11:30 – 11:50**      **European activities on standardization - Use of treated wastewater**  
*(Bettina Schürmann. Chair CEN TC165 WG50)*
- 11:50 – 12:10**      **Potential for certified products - International activities on water reuse**  
*(Dr. Martina Defrain. Head of PIA Water Reuse Department)*
- 12:10 – 13:10**      **LUNCH**
- 13:10 – 13:40**      **Decentralized water treatment in Italy**  
*(Mirko Reinberg. NSF Consultant)*
- 13:40– 14:00**      **Environmental Technology Verification – Water Technologies**  
*(Izabel Ratman-Klosinska. JWT Ś IETU Katowice)*
- 14:00– 14:20**      **Technologies and test methods for decentralized stormwater treatment systems**  
*(Daniel Verschitz. Head of PIA Material Department)*
- 14:20–15:00**      **PODIUM DISCUSSION AND COFFE BREAK**
- 15:00 – 15:20**      **Use of rainwater for urban purpose**  
*(Dietmar Sperfeld. fbr)*
- 15:20 - 15:40**      **Rainwater - Drinking Water.**  
*(Clemens Neff. PIA Water Reuse Department)*
- 15:40 – 16:00**      **Water infrastructure – Intelligent Systems for the future**  
*(Dr. Eve Menger-Krug. Fraunhofer ISI)*
- 16:00 – 16:30**      **Closing lecture**
